Rick! You should PAY people to give you their sniffles and such .. Like exercising your muscles or they will wilt and die .. you should exercise your ‘Immune System’ to make it Stronger!! Like all of this – Must keep Germs Away – Must Wash Hands for half-an-hour after touching chicken or going to the loo – Don’t lick your fingers after scratching your bum .. On & On & On Germs are there to Exercise Your Immune System ... As a lad growing up in the 50’s/60’s ... Bath-time was once-a-week IF You were lucky ... You changed your underwear on Bath-days ... You washed your hands IF! someone INSISTED! and NOT before! ... We were scruffy little buggers, BUT! we never got Ill Kids these days are ALWAYS coming down with ‘something or other’ – The BLAME! is always placed on ‘Other Kids or their Parents’ ... When really! all You do is ... Loosen UP! ... Don’t be so ANAL over cleanliness! – It’s NOT! Next to Godliness – Ask Jesus! ... C’mon Rick – You KNOW! deep down, you’re just being a little old lady here or you wouldn’t be asking the question □ □ □... Microplastics ?? ... Keep it simple! – Look UP! □ □ □ □ Those Chemtrails are FILLED with little Micro-Nasties ☹☹☹ ... Including Aluminium Dust – “To reflect the sun”??? – Right! □ □ □.. You know the ‘Mental-Health-Plandemic’ sweeping the Woke-World right NOW!?? Geo-Engineering – For Our OWN Good – Via Bill Gates – AKA; GatesOfHell □ □... TOO YOUNG?? ... Had a mate! – Fit as a fiddle – Strong as an OX! Played all sports – Proper ‘Action-Man’ – Got fatigue and chest pains at age 51, lined up for Heart By-pass – Operation got cancelled several times – He aged 20 yrs in a Year – DIED before He got his operation .. WHAT! a Waste! .. The NHS are extremely Sloooooow! – If You’ve got a problem, make SURE!! They don’t fob You off with what it ‘Might Be’ – As is their usual response so that they can keep ‘Waiting Lists’ DOWN! ... If You CAN! go Private for peace-of-mind ... Hope it IS nothing to worry about though □ □ □

Society has evolved to the point that in the civilised world the car/van/motorbike is an ‘essential’ to MOST people.... ‘Our personal world/bubble’ is built around being able to function as an individual/family taking kids to school because too far/dangerous to walk, to get shopping because most rural shops have now CLOSED, to getting to work so that we can afford to ‘LIVE!’ The car, like the Smart-Phone has become indispensable!!! ... Now the SMART! phone is being used by Gov’t and Commercial interests to ‘control’ and ‘Surveil’ us Climate Change/NetZero is the ‘enabler’ for ‘The War On Motorists’ which is ATTACKING motorists from every angle so that Our ability to ‘function’ in our chosen ‘Bubble’ will be no longer an option ... And YOU! are living proof of just HOW mentally unstableing it is! To be denied the use of a car when Your bubble has been built around it..... Just a thought □ □... Another thought though ... As your car has been with them for soooo long, they’ll likely have stored it out of the way ... if You DO get round to having it sorted, and You go to collect it ... DO NOT! There's a rumour doing the rounds now that Lucy Connolly is a Paid Stooge who is remaining in custody as a 'Job' sponsored by a government INTENT! On scaring the public into 'relative silence' .. Not sure I believe that scenario, but We should all look at things with an open mind – The 'Uni-party' have shown through the Covid Disaster and NOW! the signing AWAY Our Brexit Rights that they will slink around in the most FOUL Slime to get their POWER! Replying to GBNEWS ... Re; Liverpool Celebrations Tragedy:

Eamonn of all people MUST remember the Horrific Scenes we saw in Northern Ireland years ago when crowds would pull the Police (And others) from their cars and brutally Murder them in a State! Of Rage!! ... I've resisted commenting on this via X! ... But now that it seems to have calmed a little it feels right to 'Say What I Saw' on TV/Social Media footage ... It appeared that the driver realised his mistake after finding himself in amongst a 'crowded celebration' as He followed the ambulance ... He seemed to TRY to reverse back out, but clipped a pedestrian who reacted like the Chap in the pub, when you accidentally SPILL his beer! ... He started kicking and BANGING on the back window Hollering at Him ... This led to others reacting Angrily to the driver, and at one point, getting the drivers door open to TRY and Haul Him OUT!! ... No WAY am I trying to Excuse! His Actions ... But if YOU! think You're going to be LYNCHED! by an ANGRY MOB!! (Which They Were!) You might just PANIC! and TRY! to ESCAPE! ... Being under the influence of Drink & Drugs would've made his interpretation of the situation untenable in HIS! mind... I think THAT! is Why! He is receiving the 'Lesser' charge. It seems unfair and unreal .. But the Police have to go by the BOOK! ... If NOT! ... They lay themselves open to a similar Looong Drawn-Out-Fate like the Hillsborough Disaster

I was born 1950 – Never had a telly, just a radio. Went to other kids houses to watch the Two Channels available – Like a lot of Folk these days I accepted the news 'As Is' while I grew older... Then On 6th December 1986 around Mid-day _ I had a very strange experience – It was like I was suddenly seeing the world through an X-ray machine – Suddenly! Life changed dramatically! – I couldn't read a book, watch a film or TV programme – including the News without seeing 'Through' it and the 'Real Meaning' of everything being said/portrayed to us..... It was frightening at first ..Then I wondered if anyone else was having the same/similar experience? ... Just a few years later someone else DID come out of the shadows with the same experience ... He was mercilessly ridiculed for years as an individual who just wouldn't Shut-Up about it ... Thankfully, many have also stepped out of the shadows World-wide thanks mainly to Youtube, and now other services like Rumble ... And long may it continue ... Good luck Andy ☐ ☐ ☐

Boat life is being curtailed by the mooring restrictions appearing everywhere, the lack of repairs along canal’s , the COSTS of licence’s growing to unaffordable levels and of course ‘Canal Collapses’ that are taking FAR TOO LONG to rectify ... Central Gov’t are trying to ‘Control’ and ‘Surveil’ where we all reside ... They can’t do that when folk like yourself want to live ‘Off-Grid’ ... SO! ... Boat-Life ... Van-Life ... Motor-Home Life ... Even Tent-Life – Is being made as difficult as possible to deter these folk from choosing those options in the first place ... They are even targeting Home-Owners now! ... By making Living Expenses/Energy/Motoring Sooo expensive that they can no longer afford their Mortgages, and that’s even IF! They still have a JOB! As the economy is being Ground Down Sooo LOW that employers are having to cut their losses and CLOSE Down their Businesses ... This has the knock-on effect of making MANY Homeless ... But it’s OK – because Gov’t Approved Property Investors

like Lloyds and SERCO etc; Are buying UP all of those properties – Plus They’re converting office blocks into residential Use – Because the previous gov’t made it unnecessary to apply for planning permission to do so .. Knowing that the housing issue was going to cause ‘The STHTF’ ☐ ☐ and these ‘Units’ will be made available to these Homeless Folk {At A Rent They Can’t Afford Either} where the Gov’t can both Surveil & Control the residents 24/7/365 AND! At age 37 – A Self-Employed Plasterer, married with 7 kids – I was struck down suddenly with MS – 50% Paralysed down one side, no co-ordination, fatigue like you couldn't imagine – I never applied for benefits until I was down to My last Fiver – THEN! had to wait 3 months to get a PENNY! (Self Employed are considered vermin by DWP) – Had to Cash In ALL my Endowments, Pensions and other investments to live off BEFORE! they would consider my application – As You know, we're given a FRACTION of their real worth! – Had to live off credit cards, when the 'back payment' came through of course, it didn't include the interest – 'naturally' – Mortgage interest rates were at an all-time HIGH – Went from £250- to £660- pm – I got £100- pm toward it, lost the house eventually ... Never applied for disability because I'd convinced myself I was going to get BETTER! – Which I partially Did! – Got Myself back earning a living, now in council accommodation thankfully, still having to take time off because of MS relapses At age 57 I had a 'severe! relapse' – Housebound for months – Couldn't get by, so applied for Disability, which I got. After 6 months I could walk about 100 – 200 yds with difficulty, so I got a car on the Mobility scheme .. Great Plan – Grateful for that as could never have afforded one – Needed an automatic because left Side still not functional. When I hit 60 a few years later I was 'assessed' by a Young Lady who came to the house all smiles & friendly – She'd caught Me on a relatively good day so I was able to complete many of the tasks she set Me A week later I got a letter saying My mobility payments were STOPPED! because I'd NOT managed to score enough points while performing the tasks set! I then had to borrow the money from family so that I could BUY the car from the Mobility Scheme rather than hand it back! Still got it TEN years later When I got Re-assessed again, for the PIP's scheme they decided to remove my benefits completely .. As it coincided with a Private Pension starting – I decided NOT to appeal – With MS the Fatigue is Sooo debilitating, and the brain fog overwhelming a lot of the time, I just thought "I can't be bothered" ... So YES! – You're Right! – They Do Hope that You won't appeal their decisions and there will be many more like Me who just cannot take the hassle to go through all that Paperwork, Frustration and STRESS! Of appealing for what Should! Rightfully be claimed. Funnily though – I'm actually GLAD I was kicked OFF! – Because you also 'worry' that you're becoming 'dependent' on benefits – which is not good

My own town had Huntley & Palmers as it's global Industrialist. A few years ago I needed a Vehicle on the Mobility Scheme as I was literally House-Bound because I couldn’t actually walk much further than about 50 yards without supporting myself on anything that was handy ... As I gradually became more mobile, I was re-assessed by the – SERCO Street-Mugger Corporation’s – Very Young Assessor. I've harped on about 'The Church Of The Poisoned Minds' #TCOTPM's For some years now and been called Every Name for doing SO! .. But They ARE! A Unit!/Religion that have Mastered NLP/SubliminalMessaging to a Tee! – Glastonbury was Usurped into TCOTPM's a few years ago, and the inclusion of So Much WOKE Propaganda and Acts has been building over the years ...

Now Remember! – A Property Developer will 'Always Fell' inconvenient Trees and PAY the fine it incurs because they are SO Small! ... THIS! Abomination has been Purposely 'Allowed' By The BBC and Glastonbury because they KNOW! – That At Worst! – They'll get a Slap-On-The-Wrist! .. BUT! – The message has already BEEN DELIVERED! – It Cannot! Be Redacted or Retracted .. It's Out There! – In The Ether – For Eternity – Promoting TCOTPM's

And WHY! Do GBNews CONSTANTLY Invite Certified Psychopathic Narcissists onto their panels to 'Talk-Over' everybody & Everything! ? It's like there's a PLAN! To Regularly INSULT! The Audience! .. Who WILL! start to Turn-OFF! In their DROVES If This Trend Continues ... This 'Article/Person' brought NOTHING to the table – Absolutely NOTHING!! – No Discussion – No Reasoning – JUST Her Demented Opinion that is the Bedrock of Wokeism!

GBNews – Do Your Due-Dilligence!! And STOP! Insulting Your Audience – AND! – Your Presenters who are made to look Fairly Stupid – Because They have RULES to abide by – These Weapons! Don't!! ... When you see 'control' in a domestic relationship where One! of the partners is a Narcissistic Psychopath – This Girl demonstrates Perfectly! How that CONTROL is established – By accusing the 'other party' of Always being 'The Problem' – How THEY are always RIGHT! and the other is always WRONG... And of Course! – Everything They DO! – Is for 'The Good' of the partner – Until the frustration BUILDS & BUILDS – Until Violence! seems the ONLY answer ..

Sadly it's often a Fatal answer 🤖 🤖

The Police & Our Justice System – ALSO! – Have been Usurped by the same! ... The last several Glastonbury Festivals have been getting progressively WORSE! With almost 100% Woke Acts & FLAGS – {Those God-Forsaken FLAGS!} Proclaiming the Everything WOKE! Trans, Bi, Homosexual, Pride, Pronoun, & NOW! Palestinian – Is ALL Normal!! .. The Mayor-Of-London appears to RULE The UK – He is Muslim – London is now referred to as 'Londonistan' by the Indigenous Population ... Most Vocational Politicians have already been got SHOT of by both sides of the UniParty. ... The Labour/Momentum/UniParty/Socialism/Communism ALL the same cheeks of the Same! Ar*e!!.... Do They Know Something We Don’t?

They DO! Know something that Some Of Us Don’t KNOW! ... The uprising against Tourist Brit’s is because WE & Others are using Air’B’n’B properties – This is a Worldwide CANCER! – Consider THIS! ... “For every ‘home’ converted to ‘Serviced Accommodation’ there is one ‘Home-Less’ for a person or Family who could now find themselves Home-LESS“

Ring any bells? ... Spaniards, Italians, Germans, French, Brit’s are ALL losing their homes to the ‘Serviced-Accommodation’ Money-Hoover ... Once a home has been purchased for ‘SA’ It is no longer on the market as a HOME! ... After all – WHO can afford an AirB’n’B to live in?

And WHERE do those Homeless now find a new ‘Home’? ... They Don’t – HENCE! The worldwide Homeless Cancer ... Please refer to; ‘The Pitfalls Of Serviced Accommodation Properties World-Wide’ @ readi-bay.com

Reply To Rubin Report – Re; Billie Eilish’s Ignorance Just Backfired ...

We need to be VERY CAREFUL Attacking Billie Eilish over her ‘Woke Indoctrinated Views’ .. Like probably Millions of Her generation – She! Has been Processed! Through the Grinder called – Education! – AKA; ‘The WOKE Indoctrination Hubs’ ... These many Millions will have had a similar form of ‘processing’ as many have also attended or watched another Mainstream ‘Woke Indoctrination Hub’ – Glastonbury! – Until We KILL The ‘Woke Mind-Virus’ we will keep getting the ‘Processed’ Speaking about the ‘Nonsense’ they call ‘Socialism’ but is actually ‘Communism’ ..

If people KEEP attacking Billie Eilish – Who is a Victim! Herself – We will DESTROY a Talent and a Human Life! – JUST! Because She parroted something She has been Indoctrinated with .. We are ALL susceptible to ‘NLP’ – ‘Subliminal Messaging’ – ‘Social Hypnosis’ – Any ONE of Us! Could be NEXT! To fall on Our Sword of Opinion .. I hope this ATTACK STOPS – Sooner rather than later ... I’d Hope Dave Rubin – Being the Humanitarian that He IS! .. Will use His Platform to hold this message UP! To all of those who are at present! Piling ONTO a Young Girl with TOO MUCH Influence for her age, and the Naivety to match! Remember How Caroline Flack was ‘Piled Onto’ from every direction? ... No-One can want the same outcome for Billie Eilish – Surely!?

June Slater Re; The BBC, how long has the deception gone on?

Seems a bit like ‘The Hack’ on ITV ... “It’s Normal” ... Seems that ‘The Leftie Telegraph’ Got it RIGHT TWICE! Now! – The difference between ‘The Left’ & ‘The WOKE LEFT’

Re; Jimmy Savile .. I too! Remember being ‘taken in’ by him, i thought He was just a bit of a ‘Harmless Loonie’ ... I worked on the Nurses Quarters at Broadmoor Hospital back in the 70’s when He’d come trundling by with his band of merry followers on His morning Jog around the outside perimeter – He’d often shout out to us as they jogged on by .. As natural as the DAY! ...

MOST! People (If they were Honest! and NOT! looking for Brownie-Points) were ALSO taken in ... Including Charles & Maggie-Thatcher ... Among the MANY! High Profile Dignitaries (SOME! who likely DID know, and benefited FROM his known Perverted Contacts) ...

This ALSO Exposes the very real DANGER! Of ‘Guilty by Association’ in the ‘Epstein Files’ I’m SURE! there were MANY folk who were PROUD! to be associated with such a High Level ‘Shaker & Mover’ .. Like those who Fawn over Musk, Bezos, Gates etc ... MONEY! And Lots of IT! – Are a natural Magnet for EVERY Ambitious person on the planet! ... Doesn’t mean You should KNOW! Katie Hopkins Re; Bonkers Britain 12th November 2025:

Such a SHAME!! That Katie has a very ‘blinkered’ view of Society where she thinks ALL Mothers

should be OUT AT WORK .. Slaving away all day while sacrificing 'Mothering-Time' with the Children SHE thinks they shouldn't have in the first place!! ... THEN! Wonders WHY the (soon to be) White-Minority folk in Britain are going to be a DARN SIGHT LESS! By 2030.

The FALL in the Worldwide Birth Rates among predominantly 'White' Families is no coincidence! ... Remember when a Wife/Mother's JOB! Was to be a Home-Maker and Mother ?? .. NEVER needing to go to work because Husband/Dad/Provider! Was ABLE to 'Provide!' on only HIS WAGE!?? ... Those were the days EH?? ... NOW! – We can't even SURVIVE on 'Two Wages' THANKS to the COST! Of Childcare! And the ATTACK! On Wages via Income Tax to PAY!! For the £Billions That the Uni-Party Has GIVEN-AWAY to other Nations under False-Pretences .. Since At LEAST! 1997!! ...

It's TIME even Katie HOPKINS Opened Her Eyes, Ears & Nose! – To Smell the COFFEE! ... She's Losing the PLOT!! – Sadly!
